Closing Date	TBA
Language	Bangla [Essential]; English [Essential]
Appointment Type	Time-Based. Duration: 11 months (Subject to the duration of the project and further extension is subject to the performance of the incumbent and availability of fund)

Background of the Project:

The Aspire to Innovate (a2i) Programme builds on the Government of Bangladesh's efforts to introduce a citizen-centric culture of innovation in civil service to improve service delivery and make services more inclusive, affordable, reliable, and easier to access. This project will provide support to establish institutional mechanisms and improve accountability to accelerate SDG achievements in Bangladesh.

This project will have three components:

1. Institutionalizing Public Service Innovation and Improving Accountability
2. Catalyzing Digital Financial Services and Fintech Innovations
3. Incubating Private Sector-enabled Public Service Innovation

Background of the assignment:

Envision, a vital unit of a2i, focuses on accelerating service development and addressing specific challenges to enhance public service delivery in Bangladesh. It plays a pivotal role in streamlining government processes and fostering innovation. Through the Service Design Lab (SDL), Envision partners with government agencies, the IT industry, private sector, academia, and civil society to develop strategic guidelines and transformation plans, ensuring indirect benefits to citizens.

Over the past years, envision has supported over 36 ministries, 60 governmental entities, universities, and international organizations by preparing strategic documents such as implementation milestones, budgets, technological frameworks, anticipatory solutions, organizational capacity development plans, and future action plans. These efforts have enabled various entities to prepare project formulation documents and progress towards implementation effectively.

The Consultant (Envision) will be an integral part of the a2i team, working closely with various a2i projects and initiatives to support service evaluation, monitoring, and implementation efforts. The Consultant will focus primarily on driving the digital transformation agenda within a2i, collaborating with ministries and government entities to evaluate the effectiveness of digital services, ensure alignment with strategic objectives, and contribute to ongoing service improvement initiatives. This role will require the Consultant to work across a range of a2i projects, providing expertise in areas such as project planning, service digitization, and system integration, ensuring that all initiatives are effectively monitored and evaluated to achieve sustainable and impactful outcomes for public service delivery in Bangladesh.

To achieve this, the ‘**Aspire to Innovate (a2i) Programme**’ seeks a **Consultant (Envision)** to address the critical need for evaluation and assessment of its diverse initiatives and support strategic initiatives, provide expertise, and drive transformation programs of a2i.

Objectives of the assignment:

- Implementation of integrated digitization system
- Maintain liaison with the ministry and organization for system implementation
- Collection of data and monitor implementation plan and reports.
- Evaluating the outcomes of a2i initiatives to measure their effectiveness and alignment with citizen-centric goals.

Supervision and Performance Evaluation:

The **Consultant (Envision)** will be working with the Envision team of Aspire to Innovate (a2i) Programme. A performance evaluation will be conducted by the project authority of a2i. After the contract period, further continuation of the contract will depend upon the satisfactory performance and availability of funds.

Scope of work, Duties and Responsibilities:

- Conduct detailed evaluations of a2i’s digital transformation initiatives to measure their effectiveness and outcomes.
- Assess the alignment of initiatives with citizen-centric goals and broader national objectives.
- Develop evaluation frameworks and methodologies tailored to the specific goals of each initiative.
- Identify lessons learned, success factors, and areas requiring improvement to inform future planning.
- Analyze the performance and usability of implemented digital services.
- Evaluate the impact of digital services on public accessibility, efficiency, and overall satisfaction.
- Provide actionable recommendations to enhance service delivery and sustainability.
- Establish monitoring tools and mechanisms to track the progress and effectiveness of a2i projects.
- Collect and analyze data to generate insights on implementation outcomes.
- Prepare comprehensive progress reports and assessment documents for internal and external stakeholders.
- Based on evaluation findings, design action plans to address identified gaps in service delivery and system integration.
- Collaborate with project teams to integrate feedback and lessons learned into ongoing and future initiatives.
- Ensure recommendations are practical, scalable, and aligned with a2i’s strategic goals. □ Work closely with ministries, divisions, and other organizations to ensure consistent assessment and reporting processes.
- Facilitate dialogue with stakeholders to incorporate their insights and feedback into evaluation activities.
- Maintain regular communication to ensure alignment between a2i’s objectives and stakeholder priorities.

- Collect, analyze, and interpret data to evaluate project milestones and outcomes.
- Develop dashboards and visual tools for decision-makers to monitor progress and assess impact.
- Use data insights to drive continuous improvement and ensure informed decision-making at all levels.
- Provide strategic recommendations and input based on the analysis of existing projects, helping shape the direction of future a2i initiatives and ensuring continuous improvement in public service digitization.
